Sit-to-Stand Work Surfaces *are now available from*

Global Supply®
Your Reliable Government Source

Everyone is unique and every space is different, however, these products make integrating a sit-stand environment easier than you think. Whether you are upgrading an existing space or designing for a new build these sit-to-stand work surface products are easy to install and use.

Adjustable work surface is intended for federal agencies to be able utilize their existing fixed height work surfaces as standing height work surfaces.

Features a work surface platform that is large enough to accommodate keyboard, mousepad, and paper/notebook when standing, cable management, and both clamp and grommet mounting options.

Accommodates monitors up to 24" diagonal and weighing up to 11lbs. with an overall load on height adjustment assembly of at least 24 Lbs. (including monitor and platform contents) and includes VESA compliant display mounting and 180 degree display rotation (landscape to portrait).
